## Prince William Health District

*Provided by Prince William County Joint Information Center*

### Manassas Mall Clinic

**Beginning Monday Oct. 4**, Prince William Health District in partnership with **Red Sea**, a vaccination vendor, will reopen the Manassas Mall vaccination site six days per week offering first, second, third and booster doses for the Pfizer BioNtech vaccine. In addition to the Pfizer vaccine, Moderna and Johnson & Johnson will be offered on various days. The Mall is located at, [8300 Sudley Road, 20109](#). The closest door is marked "Manassas Mall" between the *Uptown Alley* entertainment center and *Macy's*, near the intersection of Sudley Road and Rixlew Lane. Once inside the door, turn right, and the clinic is the first storefront on the left. You can also enter through the door marked "Manassas Mall" between the *At Home* store and the *Autobahn Indoor Speedway*, proceed down the corridor, turn left, and the clinic is the first storefront on the left.

To get a vaccine, make an appointment, visit [vaccinate.virginia.gov](https://vaccinate.virginia.gov) or call 877-VAX-IN-VA (877-829-4682, TTY users call 7-1-1). Assistance is available in English, Spanish, and more than 100 other languages. However, walk-ins are accepted at certain days/times (see below)
